NAHC's Professional Directory Order Form

The National Association of Housing Cooperative's Professional Directory is an online comprehensive listing of NAHC Professional Members servicing the cooperative housing industry. Our Professional Directory is visible to all NAHC members, as well as the general public, and ensures that anyone needing services related to the cooperative housing industry has access to our Professional Member's contact information. The Professional Directory is searchable in the following industry categories: **Cooperative Management, Financial Services, Legal Services, and Other Professional Services.** To upgrade your listing in the Professional Directory, simply complete this form and email to info@nahc.coop
