

**National Association
of Housing Cooperatives**

Did you know that as a Professional Member of NAHC you receive a FREE business listing in our online [Professional Directory](#)? The Professional Directory is the most visited area of our website and is an exclusive Professional Member benefit to your business.

NAHC has many professional members just like you that offer valuable services to the cooperative housing industry. The online public directory is categorized into four industry specific areas to easily locate the type of company that people are searching for. The online professional directory is one of the most valuable benefits we provide our members.

The directory can be searched not only by NAHC members, but also by anyone in the public who turns to NAHC looking for a co-op professional they can trust! If you are already a Professional Member, request to add your full color logo and be added to the top of the directory by upgrading your listing to Primary. Try upgrading your listing for more attention and be seen by anyone who may need your assistance.

NAHC's Professional Directory Order Form

The National Association of Housing Cooperative's Professional Directory is an online comprehensive listing of NAHC Professional Members servicing the cooperative housing industry. Our Professional Directory is visible to all NAHC members, as well as the general public, and ensures that anyone needing services related to the cooperative housing industry has access to our Professional Member's contact information. The Professional Directory is searchable in the following industry categories: **Cooperative Management, Financial Services, Legal Services, and Other Professional Services**. To upgrade your listing in the Professional Directory, simply complete this form and email to info@nahc.coop
